Dear Sir:

In response to the Office Communication mailed November 29, 2006, please replace the amendment to the TITLE filed on 21 June 2006 which were considered non-compliant for not providing a marked-up Title to show changes relative to the immediate prior version with the following amendment to the Specification which now provides a marked-up version of the Title to indicate how the originally filed title was amended to conform to the Examiner's suggestion for a more descriptive title in Item 7 of the paper mailed April 28, 2006.

**Amendments to the Specification begin on page 2 of this paper.**

Respectfully submitted,
